

Following directions and using words during needs (Help, More and I like).

1. Example during meal times use phrases such as:

You Say: What do you want to eat.

You say: "I like to eat..... (your child chooses)

You can ask your child: (show pictures)

What do you like to

You say: "I like to drink _____ (your child says or imitates name of drink he or she wants.

2. When working on asking for "help" or "more" play games that requires your child to ask for help, like putting puzzles together.

During the activity continue to talk to your child using simple phrases such as, "Put on," "Great job" and "I need help.
