Innovative Therapy Services

All for 3's Social Skills Program

DOES YOUR CHILD:

- ***Have difficulty making or keeping friends?***
- ***Have trouble acting appropriately in social situations (school, store, parties, meals)?***
- ***Have difficulty initiating, maintaining, or ending a conversation?***
- ***Make impulsive or poor decisions?***
- ***Have trouble reading social cues?***
- ***Avoid eye contact during conversation?***

All for 3's is program that is focused on your child's strong points and at the same time supports your child's weaknesses. Our programs are individualized, only 2-3kids per group and taught by licensed speech pathologists.
